Let the good times roll.

STRETCH YOUR HORIZONS

Every day you gaze out at the horizon and wonder. Wouldn't it be nice to stretch the view? A weekend away from the daily grind? A trip to your favorite retreat? Exploring an unfamiliar squiggly line on an out-of-state map?

It doesn't matter which, when you're on a Kawasaki Concours.

With a pedigree from the famous line of sporting Ninja® motorcycles, comes a powerful, 1,000cc liquid-cooled DOHC four. A truly great thoroughbred, specially tuned for smooth, civilized mid-range grunt and fitted with clean, quiet, and reliable shaft drive.

And to make your life ever so comfortable, the Concours is fitted with handy, removable luggage and a sleek, full coverage aerodynamic fairing to protect you from nature's worst elements.

Of course, when you're ready for a little sport in your tour, the Concours is equipped with a 41 mm air-assisted fork, UNI-TRAK® suspension, radial tires, very generous cornering clearance—plus powerful triple disc brakes.

So when the urban environment feels like it's closing in, get out and stretch your horizons.

On a Kawasaki Concours.

• *Liquid cooling, double overhead cams and four valves per cylinder deliver legendary Kawasaki power and reliability.*

• *Six-speed transmission with Positive Neutral Finder lets the engine spin at a relaxed 3,300 rpm at 55 mph.*

• *The luggage easily detaches with the flip of a latch; removable body panels cover the mounts when the bags are removed.*

• *Large, flat, 7.5-gallon fuel tank easily accommodates a tank bag, and provides exceptional touring range.*

• *Retractable bungee cord hooks and a centerstand are extras you'll appreciate time and time again.*

SAFE RIDING'S MORE FUN

Ride responsibly. Kawasaki believes safety begins with us and continues with you. Always wear a helmet, eye protection, and proper apparel. Passengers too. Ride defensively. Obey the Basic Speed Law. Never ride under the influence of drugs or alcohol. Riding is most fun on a well-maintained motorcycle... follow the instructions in your owner's manual. Remember, riding safe is smart.
